

## \_notion.F2\_10,1 (IP65)

OrderNo.:778-21971  
13.8.2025 / 0

### Technical data

|                       |                              |
|-----------------------|------------------------------|
| Model                 | notion.F2                    |
| Display size          | 256 mm (10,1")               |
| Shape                 | 16:10 wide                   |
| Display resolution    | 1280*800 WXGA                |
| Brightness            | typ. 500 cd/m <sup>2</sup>   |
| Touchscreen           | Glass-touch (multitouch)     |
| Front screen          | non-reflective               |
| Front screen          | thermal hardened             |
| Application           | Computer                     |
| CPU                   | ATOM E3930 Dual Core         |
| Memory                | 4 GByte                      |
| Memory                | soldered RAM                 |
| Drives                | mSATA                        |
| Capacity mSATA        | >=120 GByte                  |
| Operatingsystem       | without                      |
| Interfaces            | 2*M12 D 4P Ethernet (female) |
| Interfaces            | 2*USB 2.0 IP65               |
| Interfaces            | M12 Power T                  |
| Power Input           | 24VDC +20/-15%               |
| Operating Temperature | 0°...40°C                    |
| Cooling system        | Passive                      |
| Color Front           | black                        |
| Color Housing         | black                        |
| Mounting              | Rack mount (optional)        |
| Mounting              | VESA 75*75 mm                |
| Protection front      | IP65                         |
| Protection Backside   | IP65                         |
